DEFINITIONS

Adjustment: Changes in caseload resulting from actions authorized (including those authorized by mistake or in error) in prior months and not previously reported, are to be reported as an adjustment. Whenever an adjustment is reported, the county must include a footnote in the Comments section of the report, explaining why an adjustment was needed.

All Other Families: All families that have not been identified as either a two parent or a zero parent family. These cases are coded as 30, 3E, 3L, or 3P. See ACL 01-66, dated September 18, 2001 for aid code descriptions.

Application (for assistance): For reporting purposes, a request for aid which has been received and recorded by the county, on Form CA 1/SAWS 1, Application for Public Assistance.

CalWORKs: The acronym for the California Work Opportunity and Responsibility to Kids Program implemented on January 1, 1998.

Cancellation: An application or request for restoration of a cash grant is considered "cancelled" if the applicant or child(ren) for which the application is made dies before the determination is completed.

Child: A child is a person who is a member of an Assistance Unit (AU) and is under the age of 18 or is enrolled as a full-time student in high school or a vocational or technical program, before reaching the age of 19. A minor parent shall be considered a child only if he/she is included in an AU with a senior parent.

Denial: An application or request for restoration of cash grant that is denied. A denial may occur for any reason, e.g., excess income and/or resources; no deprivation; failure to complete necessary forms; failure to provide essential verification, etc.

Discontinuance: A CalWORKs cash grant case where aid is stopped and/or terminated at the end of the month for any number of reasons, e.g., non-cooperation by the AU; excess income and/or resources; loss of deprivation; discontinuance requested by the AU, etc.

Intercounty Transfer: Movement of cases from one county to another, i.e., a family moves from one county to another. The receiving county adds this case to the report via the "Transfers from other counties" Item 7c. The county from which the family is moving would count the case as a discontinuance in Item 9.

Intraprogram Status Change: Change in status from one part of the same program to the other. For example, when the father returns to an All Other Families case during the report month, that case will become a Two Parent Families case effective the next month. Therefore, for statistical reporting purposes, that case is theoretically discontinued from the All Other Families column, Item 10 and is added to the Two Parent Families column, Item 11.

Movement: CalWORKs case flow within this report. Some examples include:

- A case transfers between the different program segments.
- An active case receiving a cash grant becomes an active case which receives no cash grant during the report month, and vice versa.
- A case terminates from the CalWORKs program.

Movements between CalWORKs and Foster Care (FC):

- When a CalWORKs child goes to FC, that child is discontinued from CalWORKs and a FC application is taken.
- When an FC child goes to CalWORKs, the child is brought into the CA 237 CW case count in one of two ways:
 1. If the child creates a new AU, a new application for CalWORKs is taken and the child comes into the CA 237 CW report as a new application and is processed accordingly, within the report.
 2. If the child joins an existing AU, then that child is brought into the CA 237 CW caseload by adding him/her to the person count in Item 8a1) or Item 8b1) or in Item 13a1) or in Item 13b1).

DEFINITIONS CONTINUED

Other Approvals: Cases approved for reasons other than an application for a cash grant or restoration, transfer from another county or intraprogram status change. Some examples of "Other Approvals" include the following: approval of aid on appeal cases; approval of aid to cases erroneously denied or discontinued; and approval of a CW 7 discontinuance where completion of a new application is deemed unnecessary.

Other Cases: (Not receiving a cash grant) (See Item 8b and 13b): Cases not paid aid, but which had an authorization to receive aid during the report month. Examples include:

- Cases approved for aid during the report month, which will receive an initial warrant dated the following month.
- Cases with an authorization to receive aid discontinued during the report month, and the warrant was either cancelled or not written.
- Cases in which the authorization for the report month was a zero grant to adjust for an overpayment.
- Cases which were fully abated by child support payments.
- Cases determined eligible for CalWORKs, but whose grant was not paid because it was less than ten dollars.
- Suspended cases.

Other Dispositions: An action taken on an application or a request for restoration which results in a cancellation or withdrawal. This also includes applications denied because the applicant moved or could not be located. (See definitions for Cancellations and Withdrawals).

Payment Responsibility: The county sending the recipient is responsible for payment of aid until the end of the transfer period, at which time the receiving county becomes responsible.

Restoration: An application of aid when the applicant has been a recipient in the same county within the last 12 months regardless of program segment.

Suspended Case: Aid is suspended in the payment month when income or circumstances in the corresponding budget month result in the ineligibility for only one payment month.

TANF Timed-Out Cases: Families that include an adult head-of-household or a spouse of a head-of-household, (including minors that are head-of-household) who have received Federal TANF assistance for a total of 60 cumulative months. These cases are coded 32 and 3W. See ACL 01-66, dated September 18, 2001 for aid code descriptions.

Transfer Period: The end of the month following the 30th day after notification to the second county.

Two Parent Families: Assistance Units (AU) that include two non-disabled, natural or adoptive parents of the same aided or SSI/SSP minor child (living in the home), unless both parents are minors and neither is the head-of-household. These cases are coded 35, 3M, or 3U. See ACL 01-66, dated September 18, 2001 for aid code descriptions.

Withdrawals: Applications or requests for restoration that are withdrawn only upon the voluntary initiative of the applicant or person applying on his/her behalf.

Zero Parent Families: Assistance Units (AU) in which the parent(s) or caretaker(s) are excluded from or ineligible for aid. These cases are coded 33, 3G, 3H, or 3R. See ACL 01-66, dated September 18, 2001 for aid code descriptions.
